## OBJECTIVE

---

UX Designer with **1.7+ years** of experience in designing digital products and **3 years** of diverse experience working on **0 to 1 products** with multiple startups, where I played a key role in transforming ideas into products as the sole designer. I am now seeking a position **within a team** of designers to tackle impact-driven problems.

## EDUCATION

---

**Enterprise Design Thinking**, IBM ([Credential Link](#)) Apr 2024

**Professional UX Certification**, Google ([Credential Link](#)) Dec 2023

**B.Tech Computer Science,, 2nd year Dropout.** March 2019

## SKILLS

---

**Technical Skills:** Wire-framing, Prototyping, and Information Architecture

**Soft Skills:** **Design System**, Product Documentation, User Research, and Developer Handoff

**Tools:** **Figma**, Confluence, Jira, and Notion

## EXPERIENCE

---

**UX Designer** Feb 2023 - Present  
Entytle Inc *Pune, India and Texas, USA*

- Achieved a **30% growth** in design efficiency by utilizing Design System and Product Documentation skills.
- Led the Interactive Dashboard product, which is expected to achieve a **12% growth** in user retention.
- Developed the Installed Base Health Check product from end to end, collaborating with developers and PMs.

**Product Designer** Jan 2022 - July 2024  
Detrix Networks Pvt Ltd *Hyderabad, India and TANJONG, Singapore*

- Designed **85%** of the Healthcare Suite products, including the Queue Management System (QMS), Nurse Patient Interface (NPI), Synclo Labs, and Patient Check-In.
- Led the product development cycle by implementing a lean agile process, resulting in a **13% increase** in the speed of product development.
- Developed formats for internal design changes and product documentation.

## PROJECTS

---

**Robust Design System.** Built a robust design system to accelerate design implementation for product managers and stakeholders using Figma, Google Material, Apple Human Interface, and React Native Framework. Designed over 250 components used in more than 5 products.[\(See it here\)](#)

**Yamparala.Design** Built an online portfolio at Yamparala.Design to showcase my design projects, providing an overview of my design skills and personality.[\(See it here\)](#)

**YamparalaMedia.** YamparalaMedia: My first startup aimed at helping small businesses with design and marketing center services.

## EXTRA-CURRICULAR ACTIVITIES

---

- Actively write [design blog posts](#), Twitter posts on design ([X\(Twitter\)](#)) and Videos on design ([Youtube](#)) Helping designers with best practices in design to grow their design skills.
